[1] Management expense ratio ("MER") as published in the Interim Management Report of Fund Performance as at June 30, 2026. MER is based on unaudited actual expenses for the period January 1 to June 30, 2026 and expressed on an annualized basis, unless specified otherwise.

[2] Management fee rebates ("MFRs"), also referred to as management fee distributions, are available to eligible investors whose Fund Account balance exceeds the prescribed threshold.
