[1] Management expense ratio ("MER") as published in the Interim Management Report of Fund Performance as at June 30, 2026. MER is based on unaudited actual expenses for the period January 1 to June 30, 2026 and expressed on an annualized basis, unless specified otherwise.

[2] Management fee rebates ("MFRs"), also referred to as management fee distributions, are available to eligible investors whose Fund Account balance exceeds the prescribed threshold. Fund holdings used to determine Fund Account balance and eligibility for MFRs may vary by Fund. MFR is an estimate based on the December 31, 2025 MER. Actual MFR may differ to achieve Total Cost as stated. MER minus MFR equals Total Cost. Management fee distributions are paid by the applicable series of the Fund and are inclusive of either GST, GST and QST, or HST.

[3] The Manager has waived a portion of the management fee and may cease to waive such fee at any time without notice to securityholders.
