T. Rowe Price Global Allocation Fund

Series F (C$)
as at September 30, 2026

Management Team
Charles Shriver, Toby Thompson, Christina Noonan

The T. Rowe Price Global Allocation Fund invests in a broadly diversified global portfolio of investments, including U.S. and international stocks, bonds and alternatives. The fund uses an active asset allocation strategy in conjunction with fundamental research to select individual securities. Under normal conditions, the fund will consist of approximately 60% stocks; 28% bonds, money market securities and other debt instruments; and 12% in alternative investments. T. Rowe Price may adjust the fund's investment and overall risk profile by making tactical decisions to overweight or underweight particular asset classes or sectors based on its outlook for the global economy and securities markets, as well as adjusting the fund's allocations to alternatives.

Features

- Global diversification across regions, asset classes, capitalizations, currencies and alternative strategies
- Combines fundamental bottom-up security selection with top-down analysis
- Experienced PMs supported by a team of more than 80 multi-asset investment professionals
- Provides exposure to the best investment ideas from over 410 T. Rowe Price research analysts[4] worldwide

Benefits

- Can invest confidently alongside a manager with over 30 years of multi-asset experience
- Prudently adjusts allocations as markets shift and evolve seeking a more consistent risk-return profile
- Less correlated, non-traditional strategies are used to help mitigate risk and seek additional sources of returns
- Provides exposure to a world of opportunities in one fund

[1] Management expense ratio ("MER") as published in the Interim Management Report of Fund Performance as at June 30, 2026. MER is based on unaudited actual expenses for the period January 1 to June 30, 2026 and expressed on an annualized basis, unless specified otherwise.

[2] Management fee rebates ("MFRs"), also referred to as management fee distributions, are available to eligible investors whose Fund Account balance exceeds the prescribed threshold. Fund holdings used to determine Fund Account balance and eligibility for MFRs may vary by Fund. MFR is an estimate based on the December 31, 2025 MER. Actual MFR may differ to achieve Total Cost as stated. MER minus MFR equals Total Cost. Management fee distributions are paid by the applicable series of the Fund and are inclusive of either GST, GST and QST, or HST.

[3] The Manager has waived a portion of the management fee and may cease to waive such fee at any time without notice to securityholders.

[4] T. Rowe Price investment professionals include 16 Sector portfolio managers, 185 investment analysts, 64 associate analysts, 39 specialty analysts, 57 quantitative analysts, and 3 economists as of December 31, 2025
