Management Team

Rajiv Jain, Brian Kersmanc, Sudarshan Murthy, Siddharth Jain

The GQG Partners U.S. Quality Equity Fund seeks to invest in high-quality companies from the United States with attractively priced future growth prospects while diversifying by end-consumer risk. GQG Partners' fundamental investment process evaluates each business based on financial strength, sustainability of earnings growth and quality of management. A flexible and adaptive approach seeks to limit downside risk while providing attractive returns to long-term investors over a full market cycle.

Features

- 15-30 U.S. equity holdings constructed with an absolute return mindset
- Lead PM Rajiv Jain has 27+ years of global investment experience in seeking quality companies selling at reasonable prices
- Traditional and non-traditional analysts help to develop a differentiated and comprehensive view on some of the world's most well-known companies
- Flexible and adaptive approach targets quality companies that would traditionally wear both the value and growth monikers
- Investment culture built around client alignment and devil's advocacy

Benefits

- Historically strong in up markets, stronger in down markets
- Focuses on tail risk protection from systemic market events
- In looking at any company, GQG Partners seeks to remove the labels of value and growth in favour of compounded return
- Potential for long-term outperformance over a full market cycle with less volatility

[1] Management expense ratio ("MER") as published in the Interim Management Report of Fund Performance as at June 30, 2026. MER is based on unaudited actual expenses for the period January 1 to June 30, 2026 and expressed on an annualized basis, unless specified otherwise.

[2] Management fee rebates ("MFRs"), also referred to as management fee distributions, are available to eligible investors whose Fund Account balance exceeds the prescribed threshold. Fund holdings used to determine Fund Account balance and eligibility for MFRs may vary by Fund. MFR is an estimate based on the December 31, 2025 MER. Actual MFR may differ to achieve Total Cost as stated. MER minus MFR equals Total Cost. Management fee distributions are paid by the applicable series of the Fund and are inclusive of either GST, GST and QST, or HST.

[3] The Manager has waived a portion of the management fee and may cease to waive such fee at any time without notice to securityholders.
