The T. Rowe Price U.S. Blue Chip Growth Fund invests in a broadly diversified, actively managed portfolio of 75 to 125 large-cap securities and is broadly diversified among growth-oriented sectors and industries.
T. Rowe Price's "blue chip" investment approach uses fundamental analysis to identify high-quality companies that can deliver strong growth in earnings and free cash flow on a durable basis. T. Rowe Price allocates the Fund among companies with leading market positions in industries with secular growth tailwinds.

Features

- Provides exposure to 75-125 industry-leading companies positioned for long-term growth
- Combines fundamental bottom-up security selection with a focus on high-quality earnings, strong free cash flow growth, shareholder-oriented management and rational competitive environments
- Holds stocks that T. Rowe Price believes are attractively priced relative to their anticipated long-term value
- Experienced PMs supported by a deep research team of 180+ analysts

Benefits

- Invest alongside a manager that has specialized in growth investing since 1950
- Rigorous research and independent thinking enables T. Rowe Price to stay ahead of change and identify potential investment opportunities
- An established approach backed by decades of experience helps T. Rowe Price pursue strong performance in U.S. equities over time and across market cycles

[1] Management expense ratio ("MER") as published in the Interim Management Report of Fund Performance as at June 30, 2026. MER is based on unaudited actual expenses for the period January 1 to June 30, 2026 and expressed on an annualized basis, unless specified otherwise.

[2] Management fee rebates ("MFRs"), also referred to as management fee distributions, are available to eligible investors whose Fund Account balance exceeds the prescribed threshold. Fund holdings used to determine Fund Account balance and eligibility for MFRs may vary by Fund. MFR is an estimate based on the December 31, 2025 MER. Actual MFR may differ to achieve Total Cost as stated. MER minus MFR equals Total Cost. Management fee distributions are paid by the applicable series of the Fund and are inclusive of either GST, GST and QST, or HST.

[3] The Manager has waived a portion of the management fee and may cease to waive such fee at any time without notice to securityholders.
